

As students studying Psychology, we are interested in the characteristics that people believe make someone mentally healthy. We should be very much obliged if you would complete this simple questionnaire.

All responses are entirely anonymous. We have no record of who you are.

Tick the characteristics you would associate with a mentally healthy person.		
	Independent	
	Logical	
	Emotional	
	Aggressive	
	Assertive	
	Unemotional	
	Submissive	
	Dependent	
	Talkative	
	Imaginative	
	Decisive	
	Optimistic	
	Sensitive to hurt	
	Excitable	
	Concerned about physical appearance	
	Competitive	
	Unaggressive	

AQA PSYCHOLOGY YEAR 1 & AS ACTIVITY

Thank you for taking part in this study

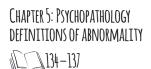

As students studying Psychology, we are interested in the characteristics that people believe make someone mentally healthy. We should be very much obliged if you would complete this simple questionnaire.

All responses are entirely anonymous. We have no record of who you are.
